A note from Mr. Hughes

Our third and fourth grade students will start ISTEP (Part 1) on Monday, February 26th. The second part of ISTEP will start on April 16th. Please be sure that your child gets enough sleep and has a good breakfast. Our third and fourth grade teachers and staff have worked very hard to make sure your child is ready. Please encourage your child to do their very best. We will have a school-wide pep rally Friday afternoon to cheer on our awesome 3rd and 4th graders.

Did you know Romeo Langford, New Albany High School basketball standout and a leading candidate for Mr. Basketball, attended Mt. Tabor as an elementary student? He has been back to Mt. Tabor a couple times this school year to visit with our students. Good luck to Romeo and the New Albany High School basketball team as they finish up their season and prepare for the state tournament.

What you focus on you get more of. As adults, we constantly shine the flashlight of our attention on the world. We give value to whatever we shine our light on. Children are better able to comply when we shine our light on the behaviors we want to see rather than the ones that are a problem.

“Stop yelling” highlights yelling and will get more yelling.

“Use a quiet voice like mine” highlights quiet voices and will get more quiet voices.

It can be challenging to shift focus from what we don't want to what we do want try:

~~No Pushing~~ . . . Move, please.

~~Don't chew with your mouth open!~~ . . . Chew with your mouth closed.

~~Stop hitting me with the rattle!~~ . . . Shake, shake, shake the rattle.

~~Stop grabbing!~~ . . . May I have a turn, please?

~~Quit pulling on my shirt!~~ . . . When you want my attention, tap me on the arm like this.

~~No splashing!~~ . . . Keep the water in the bathtub.

~~You're going to break it!~~ . . . Bring it over here so I can show you how to use it properly.

~~Don't pick your nose!~~ . . . Here, use a tissue.

~~Stop running around with food in your mouth!~~ . . . Sit down until you chew and swallow your food.
