VISION AND PURPOSE

NEW ALBANY FLOYD COUNTY SCHOOLS OFFERS A FREE, APPROPRIATE, PUBLIC EDUCATION FOR ALL STUDENTS IN THE LEAST RESTRICTIVE ENVIRONMENT.

Mt. Tabor Elementary provides a full continuum of special education services for our students. Special education includes specially-designed instruction to meet a student's unique educational needs and related services to support a student's educational program.

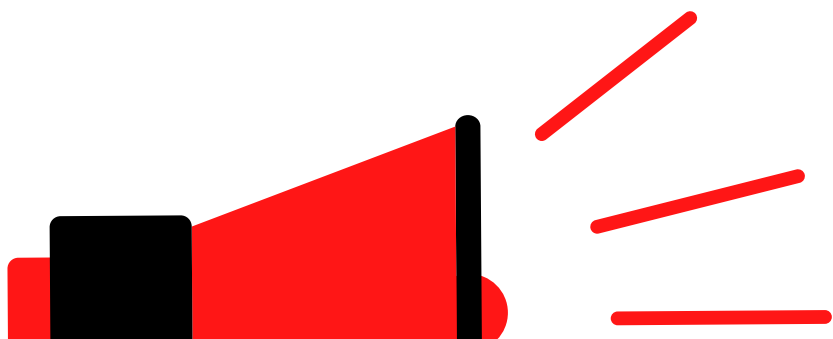

The services range from support for students placed in general education classroom settings to separate-classroom specialized programs for students whose educational needs require more intensive services and support.

CONTINUUM OF SERVICES

MT. TABOR ELEMENTARY

- Special education services and supports being provided in the general education classroom (sometimes referred to as “inclusion”)
 - General education classroom placement supported by services and assistance that are provided outside the general education classroom (often called “resource services”)
 - Separate classrooms that provide instruction in functional academics, life skills and basic skills, or address behavioral challenges (this placement may or may not be in addition to the student’s participation in one or more general education settings or classes)
-
